wide Railroad Strike Put Up to the Labor Board by Union Leaders

is authorized by the 1,225,000 work- ly withdraw. ers whose wages are to be reduced on July 1 on orders of the board.
Coupled apparently with the action of the rail union leaders was a DROWNED IN POOL statement that the "railroad workers have no alternative except to leader of the striking coal miners, who will meet with the rail union leaders Tuesday to consider joint strike action. He also pledged the might result from joint action.

The notice was sent to the railroad labor board in the form of a walkout, which was first definitely asserted in their statement issued declaration that an overwhelming the rail men said:

"When there occurs a miscarriage of justice of such colossal drowning boy. and permanent injury to railway abor as your decision will bring about, the only means of remedy which the injured parties have is to refuse to accept your decisions. This procedure is perfectly legal. While it should only be used as a last resort, our membership may decide it to be fully justified by your enial of elementary and long established right and by the seriousness of the situation which you have created. Your decisions have been submitted to a strike vote of our membership and we are awaiting the results of their action. Should our members decide not to accept your decision or in other words to strike, we shall sanction their action and advise you ac-

MANY FIGHT

Battle With Flames Goes On Unabated

More than 300 men today were fighting a forest fire in the Mogollon mountains, in the Gila national forest forest service officials announced tonight. Arrangements were made today for 120 miners to start work to assist in the fighting of the fire. Fully 500 men are expected to be on the scene by Monday. Large numbers of the workers have fought for more than three days and today were compelled to take rest and sleep. So far the fire has not been brought under control.
